House 202481 Lacoste

L'Immobilier de l'Olivier offers you this atypical architect-designed house with a unique soul, close to the charming village of Lacoste. Nestled in a green setting of over 2,500 m², this 112 m² house captivates with its design and light-filled volumes. At its center is a vast living space lit by two large glass walls, with a living room, open kitchen, and office area. The atmosphere is warm, thanks in particular to the stove that sits in the center of the room. The sleeping area, located in a dedicated wing, includes a first bedroom with a mezzanine, a shower room, a separate toilet, a second bedroom, as well as a large open room offering a mezzanine and additional sleeping space — ideal for hosting or setting up a workshop. Outside, the 2,535 m² landscaped garden features a Desjoyaux swimming pool and plenty of parking spaces. A rare property, in a calm and green environment, just a few minutes from the alleys of Lacoste.
